Student Trustee Report

October is here! The leaves are falling, the food is amazing, and UCC is just as lively as ever; there is so much to be thankful for! This month has been full of fun and opportunity for all students: The Galaxy Glow Dance, We Scare Hunger, The Academic Assembly, Grade 10 Literacy Test, and a host of other events and trips.

This year continues to amaze!

Achieving Excellence

October has been a month of opportunity for students to have a great time and to be recognized for all of their hard work and dedication to their studies. On October 26th, students who had earned such an honour, will attend the Academic assembly, where they will be commended for having an average above 80%. Another excellent opportunity for students and teachers alike, was the Wellness Committee Retreat on the 13th, where the student members of the committee engaged in activities to enrich their relationships with each other, and teachers alike. The grade ten students had their literacy test on the 20th which was completely on line for the first time. I am also pleased to announce that on October 14th, the UCC midget boys volleyball team fought hard and came in 2nd place in their tournament, and that the orchestra for this year's musical production of "The Wizard of Oz" had their first ever practice on the 17th of October. There is no Shortage of excellence in UCC's staff and students!

Creepy for a Cause

TRICK OR TREAT

The month of October was full of awesome events and fundraisers; such as our first ever hat day on the 13th, where students were encouraged to wear a hat in exchange for a dollar donation to help United Way. The junior dance on the 21st, which has been named “Galaxy Glow” featured crazy colours and even crazier lights. This month, however, is of course known for “We Scare Hunger”. This is an annual food drive on Halloween, in which the volunteers of UCC collect non perishables for the food banks of Chatham-Kent rather than candy for themselves. Initial sign up for this drive was on the 14th of October, and the actual drive will happen on the 31st

Up and Coming

**Believe it or not, we are just getting started!
There is so much more to come!**

- Undefeated Junior Football Team plays in Millington, Michigan on October 21
