Student Trustee Report

It's the most wonderful time of the year. With September comes cooler weather, changing leaves and, of course, the start of school. September is also the month of self-control and our virtue is to be a responsible citizen; to live like Jesus under the guidance of the Holy Spirit.

This first month of school has been a busy one with picture days, musical auditions, athletics, clubs, bands, hot dog day and more! Positivity is in the air at UCC; this is going to be an amazing year!

Getting Started

As I'm sure you all know, September 6th was the first day of school and even though we are not even a month in, and in classic UCC fashion, we already have incredible teams, clubs, bands and productions already in the works. There is something for everyone at UCC and definitely there is no shortage of available sports as the tennis, soccer, basketball, cross country, football, golf, and volleyball teams are having tryouts and some teams are already underway! In terms of the arts, there is plenty to choose from as well; art club will begin on October 4th and a meeting was also held on the 13th for information on all of UCC's many musical bands. Cosmo Club is up and running and, of course, so is this year's magnificent musical production of "The Wizard of Oz". The Games Club, Debate Team, and Lancers for Life clubs are also in full swing.

Stay Positive

On September 13th Chatham-Kent celebrated “Positivity Day”, to help bring a more optimistic view, and spread smiles across the municipality. UCC participated in the festivities with this remarkable display. The students and staff of UCC spread out across the field and showed just how positive they can be. This massive event was even more spectacular with a visit by Captain Positive, our very own local super hero, who gave some strong words of encouragement and support. Our board personnel made a mark of their own.

Positively well done, SCCDSB!
