

Leader Application Information Sheet

Muskoka Woods is a school community building and leadership training program.

Is Muskoka Woods for you?

Muskoka Woods is limited to students in grades 10, 11, 12 & 12X during the 2015-2016 school year.

The Muskoka Woods leadership program grants you the opportunity to explore your leadership potential while developing the potential of grade 7 students within our elementary school community. As a leader you will be expected to volunteer your time throughout the year - during school and after school. This is a year long commitment to each other, our school community and the experience.

The mission of this program is to create an opportunity for you to recognize your abilities as leaders via new challenges and experiences. At the same time, you will provide an equally challenging experience for our elementary students. Your task is to lead by example, encourage risk-taking, and create a positive environment that fosters healthy self-esteem.

Our ultimate goal is for you to further facilitate the development of a healthy and safe school culture, where all are respected and nurtured.

****REQUIRED TIME COMMITMENT****
