**PREPARED BY:** Deb Crawford, Director of Education

### **BACKGROUND:**

On June 17, 2014, the Board of Trustees approved *Lighting the Way – Rejoicing on our Journey: Our Plan for Excellence in our Catholic Schools, 2014 and Beyond*. This multi-year plan states the system's core priorities and long-range goals, and will continue to guide us through the 2018 – 19 school year. A new strategic plan for the St. Clair Catholic District School Board will be developed this year for implementation in 2019 -20.

Our current Multi-year plan includes three Strategic Priorities:

- Living Our Faith;
- Promoting Educational Achievement and Innovation;
- Fostering Stewardship, Leadership, and Social Justice.

To achieve these three Strategic Priorities, Executive Council is committed to developing and communicating annual Short-Term Targets for each Strategic Priority, as well as regular progress report on these annual targets. This evening members of Executive Council will present their year-end report on the achievement of our 2017 – 18 targets and will share the new Short-Term Targets for the 2018 -19 school year.

### **RECOMMENDATION:**

**That the St. Clair Catholic District School Board receive the report: *Final Report on 2017-18 Strategic Goals and 2018-19 Short-Term Targets*, for information.**
