Opening Prayer

God of all seasons, we thank you for gift of Autumn

We thank You for Your many good gifts of creation:

For clean water, fresh air, food, animals and plants.

For the touch of coolness in the air that gives us a new burst of energy,

For the coloring of trees that shows the creativity of the Divine Artist,

For the falling leaves that reveal the strength of the branches,

For the hues of fields that bring peace to our souls,

For the fall harvest which that brings us gratitude for the bounty of our land,

For this change of seasons that reveals the circle of life.

Forgive us for the times we have taken the earth's resources for granted,

And wasted what You have given us.

Transform our hearts and minds,

So that we would learn to care and share,

To touch the earth with gentleness and with love,

Respecting all living things.

Today and always. Amen.
