### ***ST. CLAIR CATHOLIC DISTRICT SCHOOL BOARD PRESENTS CAPITAL PLAN UPDATE – 2017***

At tonight's Regular Board Meeting, Executive Superintendent of Corporate Services Amy Janssens presented to the Board of Trustees St. Clair Catholic's Capital Plan Update for 2017.

"This report builds on the Board's first Long Term Capital Plan, which was presented in February of 2016," says Dan Parr, Director of Education. "The document provides the blueprint to help guide future decisions of the Board – especially with respect to Board capital resources and facilities."

More than 30 municipal, educational and community partners were invited to attend the presentation, as required by provincial regulation. The organizations were also invited to submit information, which they believe may have been useful in the preparation of the report.

The report includes enrolment projections, school capacity and facility data, and a schedule for accommodation activities planned for the current budget year and forecast for 2017-2018.

The full report will be posted to the Board's website.
