ADDENDUM #003

1. SECTION 2.41 HEALTH & SAFETY

As a result of the COVID-19 Pandemic this section has been revised to read:

The Occupational Health and Safety Act describes the responsibilities of an employer. The Board requires Contractors to maintain procedures, training, and enforcement so that the responsibilities are carried out in the workplace. The Contractor shall abide by and strictly adhere to the regulations and conditions set out and laid down by the most current versions of the Occupational Health and Safety Act. All staff employed or hired by the Contractor and working on the Board's premise **MUST** be trained in WHMIS in accordance with Occupational Health and Safety Act and Regulations. They **MUST** adhere to all of the Board's Health and Safety Procedures and Guidelines and to Municipal By-Laws.

Contractor will submit proof of its health and safety program, procedures and training, as detailed above upon request by the Board.

The Contractor shall appoint a Competent Person as the Supervisor of this project. The Competent Person shall be as defined in Section 1 of the Occupational Health and Safety Act.

The successful Contractor shall conform to the Ontario "Occupational Health and Safety Act" and all regulations made under said act and assume full responsibility for contraventions of same.

All workplace injuries or accidents on Board property **MUST** be reported by the Contractor to the Board's representative within 24 hours.

Any workplace injury that is defined under the Occupational Health and Safety Act as a "Critical Injury" must be reported to the Board's representative **IMMEDIATELY**.

COVID-19 SAFETY MEASURES: Contractors must observe and enforce all safety measures and standardized protocols as they pertain to construction site health and safety during the COVID-19 Pandemic. Prior to the commencement of work contractors are required to submit their Jobsite Measures to Protect Against COVID-19 with their health & safety program. Contractors should note that the following resources are available and should form part of their standards: Government of Ontario: <https://www.ontario.ca/page/construction-site-health-and-safety-during-covid-19>. Canadian Construction Association: <https://www.cca-acc.com/covid-19-resources/>.

This concludes Addendum #003.
