* Please respect those working around you in the library

* Photocopying and printing is available in the library

* Students will not be charged for printing school documents- students enter their login credentials to retrieve printing and to make copies

* When using chromebooks please report if any parts are missing, damaged or not working properly

* After use of any chromebooks from the computer carts they are to be placed neatly in cart according to number, and plugged in for charging

Student Cards

*Have your picture taken even if you will not be purchasing them. Student cards are FREE and you will be sent a student card to keep for borrowing technology and books.

* Each student is responsible for their own computer access and student number.

ChromeBooks

*There are 64 Chromebooks in carts that can be signed out to classroom teachers.

*1 ChromeBook Cart holds 32 chrome books and the other 2 hold 16 each.

* There are two towers holding 16 chromebooks each that are available for classroom and personal use in the library.

* Kiosk available at front desk for individual chrome book and book circulation, scan student card and then scan chrome book or book barcode.

Computer Carts

* Sign out book for the Chromebook carts is available at our front desk

*Carts must be turned off before being unplugged/plugged back in.

* Please remember to watch students put the chromebooks back in the cart and make sure they are neat (no pinched cords, devices missing etc).

* We are available to help if needed.

Quiet Study Rooms

* Two quiet study rooms are available for booking, the sign out book is located at the front desk. We will prioritize staff requests first, then students who are working.

***No food or drink is permitted in the rooms.**

Book Requests

* If you have any requests for new titles please let us know

* We are interested in what you enjoy reading!

Thanks in advance to a successful and exciting year!!

Enjoy this beautiful library resource centre!

If you need anything at all, please ask *
